

CHESTER POLO

Polo has vastly become a highlight of the Cheshire social scene as enthusiastic crowds flock to enjoy an afternoon of sport and vibrancy with great entertainment and food and drink for all to enjoy. Guests are welcomed to the Roodee to mingle and enjoy an atmosphere like no other during the great British summer.

Fierce competition is always anticipated from the worthiest contenders all fighting for the prestigious silverware and the title awarded in a Laurent Perrier Champagne-soaked presentation. The exhibition series will attract highly skilled teams and players from around the world to Chester and spectators will get the opportunity to witness outstanding play and sportsmanship in serious games of skill across the two days.
